

ADA CANYON MEDICAL EDUCATION CONSORTIUM

The Ada Canyon Medical Education Consortium (ACMEC) was established in 1971 to improve patient care in Idaho's Treasure Valley through the provision of continuing medical education for physicians.

Today, ACMEC works with Consortium member organizations and community partners to certify and jointly provide continuing medical education opportunities throughout the state of Idaho and contiguous states. Collectively, ACMEC and its partners provide close to 1,400 hours of CME instruction per year, recording over 23,000 individual credit hours for providers annually.

Consortium Members & Affiliates:

- Ada County Medical Society
- Boise VA Medical Center
- Family Medicine Residency of Idaho
- St. Luke's Boise Medical Center
- St. Luke's Magic Valley Medical Center
- St. Luke's McCall Medical Center
- St. Luke's Wood River Medical Center
- West Valley Medical Center

MEMBERSHIP BENEFITS

For a nominal annual fee, providers can become individual members of ACMEC. In addition to providing access to a community of providers interested in maintaining their commitment to life-long learning and improving patient care by staying abreast of the latest clinical and administrative developments, ACMEC members also enjoy the following benefits:

CME ACTIVITIES

Grand Rounds:

All ACMEC members can attend the weekly Grand Rounds at St. Luke's. Grand Rounds cover a variety of relevant concepts, with a special focus on primary care.

Remote Attendance:

ACMEC members who can't attend Grand Rounds in person can still participate online via WebEx or via videoconference at select St. Luke's medical centers.

ACMEC-Certified Activities:

ACMEC members are often invited to participate in a majority of the over 100 activities ACMEC certifies for CME credit. Information about these activities is included in our monthly newsletter and in the **Upcoming Activities** section of our website.

Online CME Credit Tracking

All ACMEC members can have their CME credits tracked - both for activities ACMEC certifies for CME credit and for external activities.

AMA PRA Category 1 Credits™ are tracked in our database, and can be accessed anytime online using the login information provided upon becoming a member. Even better, credits are **automatically** tracked for ACMEC-certified activities. All you have to do is sign in at the event and we'll do the rest! For all other activities, a copy of your certificate can be uploaded to our database to have the credits added to your transcript.

Members can print out copies of their CME transcript to use when the time comes to renew their license or board certification - more convenient than tracking down old certificates!

ACUMEN Newsletter

All ACMEC members receive a copy of our monthly newsletter, **ACUMEN**. Our newsletter provides members with the latest developments in CME in the Treasure Valley, Idaho and beyond, as well as a schedule of upcoming CME activities.

Grand Rounds Video Library

Returning Fall 2017!

Missed a Grand Rounds session? Starting in Fall 2017, the Grand Rounds Video Library will make its comeback!

The library will contain online recordings of select Grand Rounds, consisting mainly of voice-over PowerPoint. CME credit will be awarded to members upon successful completion of a post-test and evaluation.

WE HOPE YOU JOIN ACMEC TODAY!
