Lastly, thanks to our members, whose loyal participation and feedback help ensure our relevance, and keeps us on track. We are grateful to you all, and for making ACMEC such an integral part of the medical community!

## NEW ACMEC STAFF MEMBER

ACMEC is very excited to welcome our newest staff member, Jennifer Hawkins, to the team!

Jennifer is originally from St. Louis, Missouri (Go Cardinals!) and graduated from Truman State University in Kirksville, MO with a Bachelor's degree in Kinesiology. After graduation, she worked in various hospitals across the country starting up scribe programs in Emergency Departments. She most recently worked in the medical records department at Idaho Gastroenterology Associates.

In her free time, she enjoys playing tennis, hiking, and spending time with her family and dog, Lucky.

In her shared role as Continuing Medical Education (CME) and Membership Assistant, Jennifer will be providing administrative and operational support to ACMEC, the Ada County Medical Society, and the Idaho Medical Association to assist these partner organizations in providing membership and CME services for Treasure Valley and Idaho physicians.

Jennifer will be joining us at Grand Rounds at St. Luke's on Wednesday mornings, so make sure to say hello the next time you attend. You may also see her at upcoming ACMS and IMA events like Winter Clinics. WELCOME, JENNIFER!

## Now Scheduling: 2019 Grand Rounds

### LOOKING FOR MEMBER SUGGESTIONS FOR SPEAKERS & TOPICS

Scheduling for the Spring 2019 Grand Rounds is underway, and we would love to hear from members on the topics and speakers you would like to include to ensure we continue to present relevant topics that meet your educational needs.

Are there any specialties you would like to see represented? Any dynamic speakers you've heard elsewhere that you think we should bring to the Treasure Valley? Any local providers doing innovative things or offering unique services that the medical community should know about? Any hot medical topics that must be covered? Let us know!

Suggestions can be sent via email to [acmec@acmec.org](mailto:acmec@acmec.org) with **Grand Rounds Suggestions** in the subject line.
